

Achievements of School

Arya Girls Public School i.e our school is situated in the center of the city with campus Around 6 acres. It was established in 1996 and will be completing 20 years in March 2016.

Haryana state has only 2 CBSE affiliated private school only for girls and. Arya girls is one of them, Run by Arya Samaj Bada Bazar Panipat for promoting girls education. Our school is a rare combination of technology and vaidic culture.

Day starts with yag , meals start with Bhojan Mantra and in classes we make them technically educated .

Our management ensures that due to financial problems, girl's education should not suffer and therefore in strength of 2000, approx 500 girls have been admitted with fee concession under categories like -134-A., national and state achievement in sports and achievement in Academic in class Xth & XIIth.

Past & present of the school is so loud and brilliant that to brief it in few words is really not possible still.I would try to reflect a few areas where school has touched new heights
